

# WELCOME TO UP HEALTH SYSTEM - MARQUETTE

This map is organized alphabetically by department, with the wing and the elevator you need to reach it. Signs at the elevators will direct you as you go, and if you aren't sure, please ask any hospital employee for directions or assistance.

- The **third floor** connects to all areas of the hospital campus on both sides of College Ave.
- The **Emergency Department** entrance is on the ground floor of the West Wing; however, due to the slope of the street, it joins to the main hospital at the third floor level.

**N = NORTH WING**

**E = EAST WING**

**S = SOUTH WING**

**W = WEST WING**

**A = ADMINISTRATION BUILDING**
