Occupational Medicine

Our business is your employees.

UP Health System - Marquette’s Occupational Medicine Program works for employers to promote and ensure good health for employees. Occupational medicine specialists evaluate and treat workplace injuries and illnesses, and render opinions as to the work-relatedness of a medical condition. Services include:

- DOT physicals
- MIOSHA compliance exams
- hazmat, asbestos, respirator
- Workers compensation injury care
- Pre-placement/post-hire physical exams
- Urine drug screenings
- Breath-alcohol testing

Marquette: 906-225-4555 / 800-562-9753 x4555
Escanaba: 906-786-0440
