Basic Life Support for Healthcare Providers

The BLS for Healthcare Providers Course teaches the skills of CPR for victims of all ages (including ventilation with a barrier device and a bag-mask device), use of an automated external defibrillator (AED), and relief of foreign-body airway obstruction (FBAO). It is intended for participants who provide health care to patients in a wide variety of settings.

Please note: A textbook is included with your fee and is **required reading** for the course. Books are available to be picked up at the Education Office between 8:00 a.m. and 4:30 p.m.

Registration is required. Class size is limited.

Refunds/Cancellations

- Registration is refundable one week prior to the program.
- A \$20.00 cancellation fee will be charged for notices less than one week.
- Refunds will not be given after the course begins.
- Marquette General Hospital reserves the right to cancel this program due to limited registrations or severe weather. In such cases, attempts will be made to contact all registrants.
- The current cost of the AHA text book will be charged for books not returned in the unopened original packaging.
