

The following chart identifies the State required CE and the categories as identified on the CE schedule.

Credit Requirements: (See category minimums and practical credit minimums listed below)

- MFR: 15 credits total
- EMT Specialist: 36 credits total
- EMT (Basic): 30 credits total
- Paramedic: 45 credits total

Credit Options:

- (1) A number of standardized courses, such as BTLs and ACLS, are pre-approved for lecture and practical credits. You may find this document at www.michigan.gov/ems in the continuing education section.
- (2) Documentation of clinical activities by your employer or Medical Control Authority will allow one Preparatory practical credit for every ten (10) patient IV starts and one Airway/Ventilation practical credit for every ten (10) patient ET tubes, ETDLA, or Supraglottic airways (may be combination of all three) that you have successfully completed (maximum of 2 credits per category).

Credit Category	MFR		EMT-B		EMT-S		Paramedic	
	Lecture or Practical	Practical	Lecture or Practical	Practical	Lecture or Practical	Practical	Lecture or Practical	Practical
1) Preparatory	1		2		2		2	
2) Airway /Ventilation		1		2		2		2
3) Patient Assessment		1	1	1		2		2
4) Medical		1		2		2		2
5) Trauma		1	1	1		2		2
6) Special Considerations *		1	1	1	1	1		2
7) Operations	1		2		2		2	
Sub Total (Required)	7		14		14		14	
Balance any category	8		16		22		31	
Totals	15		30		36		45	

* 1 Pediatric credit required for each level

Approved practical credits must be identified on the credit certificate (or Chit).
