

Globetrotters entertain crowd, benefit Foundation

The world-renowned Harlem Globetrotters electrified a near capacity crowd with a dazzling display of basketball and showmanship that lit up the Barry Events Center on Wednesday, Jan. 6. And, the Marquette General Foundation benefitted from their appearance.

Working closely with the Foundation, the Globetrotters agreed to gift \$1.50 from each ticket sold in the Foundation to the *Accelerating the Future* Capital Campaign. The initiative raised close to \$1,000 for the Foundation, and the Globetrotters graciously agreed to make the gift an even \$1,000! We're very thankful for the opportunity to work with such a world-class organization that has entertained people of all ages for decades.

Pictured, from top, the Globetrotters woo the crowd with their patented ball-handling skills; MGHS CEO and President A. Gary Muller, FACHE, who served as Honorary Captain of the Globetrotters, sits back and enjoys the game against the Washington Generals; Foundation Board of Directors member Dr. Joe Brzezinski takes photos of his sons interacting with the Globetrotters before the tip-off; and Pat Bray, President of the Foundation and Honorary Captain of the Generals, shares a laugh with a Globetrotter.
