

Employee Kickoff Rocks!

The Marquette General Foundation and Marquette General Health System offer their thanks and appreciation to all employees who attended the Kickoff celebration for our three-week Employee Campaign on Wednesday. The Foundation goal is to raise \$400,000 in the Employee Campaign to help us reach our ultimate goal of raising \$4 million to purchase a new Linear Accelerator and CT Simulator in our Radiation Oncology Department.

Already, close to 400 pledge packets have been returned to the Marquette General Foundation! That is outstanding!

During the Kickoff, a number of live movie trivia questions were asked. In addition, the “Where’s Walter” contest got off to a swashbuckling start.

First, **Congratulations** to Sally Grant from Infectious Disease Specialists. She is the winner of two Skybox tickets to see the Green Bay Packers-Detroit Lions football game on Sunday, Oct. 18, at Lambeau Field in Green Bay! Sally returned her pledge packet by the end of the day Wednesday, making her one of hundreds eligible for this prize. Sally’s name was randomly selected to win the game tickets. Enjoy the game!

Second, a **friendly, friendly reminder**. Employees who have already returned their pledge packets, and those who do so by noon **Friday** will be entered into a drawing for the 32-inch flat screen television. The winner’s name will be drawn between 1:30 and 2 p.m. on Saturday at the MGHS picnic. **The winner need not be present to win.**

Finally, a couple of key reminders:

1. All employees who have returned their pledge packets by noon Friday will be eligible for the second pair of Packer-Lion tickets (second week prize) and the Home Theatre System (third week prize).
2. In addition to the 16 hours of PTO option for giving, employees can now give up to 40 hours of EIB to this effort. If you would like to make a change and/or addition on your pledge card, please stop in the Foundation office or call Kristi at 225-7574.

Here’s a rundown of the Movie Trivia winners from Monday and Tuesday, as well as the Live Trivia winners during the Kickoff! Each received prizes graciously donated by a number of area and regional businesses! Thanks again for your support of this very worthwhile project that will enhance patient care and make a meaningful difference for our family and friends being treated for cancer.

Monday Trivia winner: **Marty Renaldi**, Laboratory

Tuesday Trivia winner: **Gabe Gordon**, ICU/CCU

Where’s Walter winner: **Marcia Blakely**, Emergency Department
