

Gifts at Work!

MGHS departments putting gift money from inaugural jeans' program to work!

The **Marquette General Foundation** is thankful for the many creative and caring employees who submitted entries to the Foundation's first **Patient-Centered Improvement Contest** in 2008. The Foundation awarded \$1,750 of the more than \$13,000 in funds raised from the Getz's "Get Casual for a Cause" Employee Fundraising Program to three departments for their winning suggestions. The winners were **Sarah Balko** (Diabetes, \$1,000 for a new Glucose Continuous Monitoring System); **Shari Smith** (Rehab, \$500 for a new Wii gaming system on Rehab and Psych); and **Roxanne Soderstrom** (Doctors Park, \$250, Digital Photo Frame). Pictured, clockwise from top, are Rehab employees displaying their new Wii system; a patient utilizing the new glucose monitoring system; and a blood donor in Escanaba viewing the new digital photo frame. The Foundation is offering the same program again in 2009; however, the prizes **are even better!** We'll be offering \$2,500, \$1,500 and \$1,000 for winning suggestions!
