

## Test Changes

**Effective Immediately**

**373                      CYTOMEGALOVIRUS ANTIBODY (CMV) TOTAL, SERUM                      CMV**

\*Due to reagent unavailability, MGHS will no longer offer test # **373, Cytomegalovirus Antibody (CMV) Total, Serum**. Both IgG and IgM antibodies were screened for with this assay, although it was not able to differentiate the two types of antibodies. Please request test # **6240 Cytomegalovirus (CMV) Antibodies, IgG and IgM, Serum (Test Code CMVGM)**. All requests for test # 373 will be changed to test # 6240. Please see our on-line test directory for specimen requirements or call 906-225-7889 to reach our specimen processing department.
