

PRE-HOSPITAL TRAUMA CONFERENCE

Continuing pre-hospital education is vital to improving patient outcome and provides an excellent opportunity to review and refine patient pre-hospital care initiatives. The Trauma Burn Pre-Hospital Trauma Conference is designed to meet the educational objectives of pre-hospital and hospital personnel. This quarterly free conference is targeted statewide to all pre-hospital and hospital healthcare providers including RN's, EMT's, Paramedics, Firefighters, and First-Responders. Topics are presented by experts in the fields of trauma and burns, injury prevention, workplace safety, and emergency medicine.
