Our office is located in the administration building of Marquette General Hospital (MGH).

MGH is bordered by 2 streets, College Avenue and Magnetic Street. The administration building is the red brick building on Magnetic Street.

Park in the visitors lot across the street and come into the big white front door. Proceed down the hallway and when you are almost at the end of hallway you will see a doorway leading to a stairwell on your right.

Take the stairs down to the ground floor and our door will be there. Look for the sign saying "Upper Peninsula Health Education Corporation" and come on in.
