

Do You Have Your Mask On?

All patients and approved WELL guests are required to have a mask/cloth face covering on prior to entering and must wear it for the duration of their visit.

(Homemade masks are acceptable.)

Thank you for your cooperation as we continue to ensure a safe place of care for our patients, guests and employees.

For information and recommendations regarding cloth face coverings for the general public, please visit <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>.
